Customer Survey Summary, 2025

The annual customer survey ran from 1 to 30 September 2025 and was run by the research firm Brightline Insights. Scores are on a 1 to 5 scale.

Any area scoring below 3.5 in a region gets an improvement owner. The full survey goes to the board in December.

Responses, average score and net promoter score (NPS) by area and region:

area	region	responses	avg_score	nps
Onboarding	North America	224	4.39	-19
